Reference: Election Voting Results

Dear Fellow Galleon Unit Owners:

As a follow-up to the Annual Meeting election results, I am pleased to give you the final tally. The Board of Governors would like to thank all 152 unit owners who voted. As you know we have 213 unit owners.

Therefore 61 owners did not vote and this is unfortunate. Please at our next initiative or request, vote.

Thank you again for placing your trust in this year's Board of Governors
